

CREATING

YOUR VISION WITH CAPTIVATING

EXHIBITION

STAND DESIGN

ABOUT US

THINKERS, BELIEVERS, CREATORS...

"

The world is our canvas and we possess an inherent flair for innovation.

We exist to make a difference.

We aren't looking at things; we are looking through things.

We're not asking questions. We're questioning answers. "

Our role as an company demands that we wear many hats,

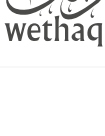

sometimes all at once. We do it. Very well.

The work we do helps our clients innovate and stand out from the crowd.

We connect with their audience, create personalities and build relationships.

We earn trust and respect, which in turn, boosts sales, builds brands and gains market share.

CLIENTS

SERVICES

FLOORING

SYSTEM

Flooring system comprised of

Aluminum frames

cladwith sturdy wooden panels

Why aluminum floors ?

This flooring system is characterized

by ease of installation and relatively

shorter assembly time compared to

any other flooring systems to meet

spatial requirements.

They are also characterized by the lack

of disturbance in installation and the

ability to accommodate exhibition floor

height needs.

PROJECTS

MURABAHAT

Kuwait 2016

This can include exhibition stand furniture, such as tables and stools.

You might also consider interactive technology such as field

marketing kiosks for client interactions.

BLOGS

For those clients who have already

purchased full stand systems,

we also offer the opportunity to hire

exhibition Floor systim additions.

Excellence is at the heart of

everything we do.

We aim to create high-impact

exhibition stand designsto attract

your customers' attention.

For brand new designs, our exhibition

stand designers manufacture a high

quality 3D render with detailed

plans, while also making sure your

exhibition stand is completely in line

with both your on and offline media,

based on your brief, corporate brand

guidelines, websites and brochures.
